

Let the weight of mercy overflow
Let it wash over this desert soul
Let it overtake the doubt in me
Every chain I've walk in now breaks free

Over all the choices that I've made
Over every time I ran away
After every stain Your eyes have seen
In Your goodness You have lifted me
In Your goodness You have lifted me

I will call on Je - sus
Oh the power in His name
I will pour out my wor - ship
All my praise is Yours to take
I give it all away

You are worthy of your holy name
Oh the power of an empty grave
You became the sin You saw in me
You have conquered death in victory

I will call on Je - sus
Oh the power in His name
I will pour out my wor - ship
All my praise is Yours to take

I will call on Je - sus
Oh the power in His name
I will pour out my wor - ship
All my praise is Yours to take
I give it all away

Holy Holy God almighty
You have made a way
Holy Holy King of Glory
I will bless Your name

Holy Holy God almighty
You have made a way
Holy Holy King of Glory
I will bless Your name

I will call on Je - sus
Oh the power in His name
I will pour out my wor - ship
All my praise is Yours to take

I will call on Je - sus
Oh the power in His name
I will pour out my wor - ship
All my praise is Yours to take
I give it all away

I surrender all, I surrender all
I surrender all, I surrender all
I surrender all, I surrender all
All to Him my blessed Savior, I surrender all
All to Him my precious Savior, I surrender all
