```

Verse 1
```
B                           G#m7
 Jesus, the perfect lamb of God
                               F#     E
Laid down his guitless life for us
                    B////|////
He cleansed us with His blood
```

Verse 2
```
B                           G#m
 Our sin was with Him crucified
                         F#     E
The wrath of God was satisfied
                          B////|F#//
He paid our ransom with His life
```

Chorus 1
```
                G#m
The power the cross
                      E
The mercy in his eyes
                          B
His blood was shed for us
                        F#
The lamb gave up His life
                        G#m
If death has lost its hold
                      E
If He is raised to life
          B            F#
Then hallelujah so am I
                   G#m//E//B////|G#m//E//|B////|
By the power of the cro - ss
```

Verse 3
```
B                             G#m
Our God lay silent in the grave
                         F#     E
Where He took all our guilt and shame
                          B     Bsus
Our sin was buried on that day
```

Verse 4
```
B                               G#m
And then Your lungs began to breathe
                                 F#     E
O death, was vanquished by our King
                            B
You rose and crushed the enemy
```

Chorus 2
```
             G#m
The power the cross
                  E
The mercy in his eyes
                       B
His blood was shed for us
                  F#
The lamb gave up His life
                     G#m
If death has lost its hold
                   E
If He is raised to life
           B          F#
Then hallelujah so am I
                 G#m//E//B//
By the power of the cro - ss
               G#m//E//B////

Verse 5
```
B                             G#m
One day, the lamb will rend the sky
                        F#      E
The Son returning for his bride
                    B
Jesus forever lifted high
```
