

Jesus, the perfect lamb of God
Laid down his guiltless life for us
He cleansed us with His blood
Our sin was with Him crucified
The wrath of God was satisfied
He paid our ransom with His life

The power the cross
The mercy in his eyes
His blood was shed for us
The lamb gave up His life
If death has lost its hold
If He is raised to life
Then hallelujah so am I
By the power of the cross

Our God lay silent in the grave
Where He took all our guilt and shame
Our sin was buried on that day
And then Your lungs began to breathe
O death, was vanquished by our King
You rose and crushed the enemy

The power the cross
The mercy in his eyes
His blood was shed for us
The lamb gave up His life
If death has lost its hold
If He is raised to life
Then hallelujah so am I
By the power of the cross
The power of the cross

One day, the lamb will rend the sky
The Son returning for his bride
Jesus forever lifted high

The power the cross
The mercy in his eyes
His blood was shed for us
The lamb gave up His life
If death has lost its hold
If He is raised to life
Then hallelujah so am I

The power the cross
The mercy in his eyes
His blood was shed for us
The lamb gave up His life
If death has lost its hold
If He is raised to life
Then hallelujah so am I
By the power of the cross
The power of the cross
