

He Is Alive [Lyrics, 100 bpm]

[Century Worship]

Vamp

Intro

Verse 1

There's an empty grave, the reason why I sing
There's a God who saves and He holds the victory
He made the way for those who call His name
Hallelujah, hallelujah

Chorus

He is alive, He is alive
I have this blessed assurance Jesus is mine
He is alive, He is alive
Never to die again, He is alive

Turnaround

Verse 2 (EG Countermelody)

There is an enemy cowering in fear
For Christ has the power He holds the victory

I have this blessed assurance Jesus is mine
He is alive, He is alive
Never to die again, He is alive
