This is our story we are the branches tied to life

and you're the vine

The Vine -

Bridge:

If the earth gives way, We will still remain
In the light of your love in the fullness of grace
If the world gives way, We will still remain
In the light of your love in the fullness of grace

Bridge 2:

In the fullness of joy, in the face of our pain
In the mourning and dancing still we will say
Hallelujah to Jesus, praise to His Name
we are branches tied to life and you're the vine
